- ___ 2 boxes of colored pencils
- ___ 1 watercolor paint (any brand)

Every child should bring a full-size backpack (no wheels) to school each day. This will allow us to send school notes home and to help your child become more organized. Please label your child's book bag with his/her name and room number.

The supplies in a Montessori classroom are shared with all the children. We encourage a sense of community by asking each family to make contributions. Supplies do not need to be individually labeled with the child's name. If you are unable to fill this supply list, we understand.
