

MSL PTSA Minutes

12/16/20, 5:30-6:30 p.m.

Present: **Ms. L. Banks, Ms. M. Franco-Banaszak, Ms. Friestad, Ms. S. Borges**

Minutes from 11/18/20 were approved.

1. Recap of December 10th meeting: Lori and Sarah shared highlights from the WI unit/regional PTA meeting. The vote was in favor of disbanding the regional PTA. The remaining funds will be divided among 6 member schools. Office supplies will be donated to the church that served as a location for the meetings. In the end, we still have access to the state PTA. A contact list of all present, including the unit members, was emailed out after the meeting so that everyone present had each other's email in the event they want to regroup in the future or network. Sarah will send Janet the contact information.
2. Treasurer's report: current balance \$4,519. We received a Shop-a-Roo (receipt submission program) check for \$509. Two checks were written and cleared (thank you cards and postage).
3. Thank you cards - many staff members shared with Magda how happy they were to have received the card. Janet received a kind message from one recipient.
4. MemberHub - Janet will set up a webpage and is going to attend a meeting with a representative to receive support. This will allow parents to go in and purchase a membership. Janet receives a tally and this allows for reporting. Members can also buy gift cards and there are other offers as well. Janet will be able to get an address to link to our FB page. We should be able to push Member Hub in January.
5. 2nd floor bubbler updates: Potential American Heart Association grant. PhyEd/Health Curriculum Specialist, Brett Fuller, will email his contact person and cc Sarah. He believes the AHA is still interested in providing grants for this purpose.
6. Wishlist - Lori is getting this ready so that it is up and running tomorrow. Magda will be able to share with the staff.
7. Fundraising - Janet will create links on the MemberHub for fundraising. She will have more to share and will also ask us to look at the prototype before it goes live.
8. Stone Creek Coffee donation - tabled
