

Dear RUHS Parent/Guardian:

**2024 Fall Parent Teacher Conference** will be held in-person on **Monday, October 14th, 2024 and Tuesday, October 15th, 2024, from 3:45 PM – 7:30 PM** at Riverside University High School.

Parent Teacher conferences allow parents and teachers to discuss student progress in required and elective courses to make sure students meet grade level credit requirements. These meetings are very important to help you understand what your child is learning in each scheduled class, their academic progress, and how you as a parent can partner with RUHS educators to support them. Parents are able to meet and sit down to speak with their child's teachers in-person.

Parents and guardians will enter the building through Door 6 near the parking lot (pool entrance). Upon entry parents will pick up their child's report card and faculty directory. The faculty directory will allow you to locate classrooms or gym area of the teacher (s) you would like to conference with on either conference days.
