

July 17, 2023

To the Families of Vincent High School of Agricultural Sciences:

On behalf of the Vincent High School staff, I extend a warm welcome to you for the 2023 -2024 school year. I am the proud Assistant Principal In Charge of Vincent High School of Agricultural Sciences, Heidi Zealley.

The first day of school for all students is Monday, August 14, 2023. Our school day starts at 8:00 am and ends at 3:25 pm.

Freshman Bridge will be held on Thursday, August 3rd and Friday, August 4 from 8:00 am – 2:30 pm.

Vincent High School's mission and vision are academic excellence as well as high behavioral standards. As the APIC, I look forward to working with you to continue this tradition.

We are a no cell phone school. If students choose to bring their phone to school, it will be collected in the morning and passed back at the end of the school day.

Your cooperation with each request is necessary to ensure a smooth opening of school and to allow our time and energy to be spend on quality instruction and learning.

If you have moved and/or haven enrolled in another school, please call 262-236-1200 and inform us so we can update our records. Likewise, please keep the school informed on any address, email, telephone or contact changes during the school year.

I look forward to working with you during the 2023-2024 school year.

Sincerely,

Heidi Zealley
