

July 1, 2024

Dear Parent/Guardians,

During the school year there are many opportunities for your child to participate in school sponsored events such as homecoming, school dances, sporting events, prom, graduation (seniors) etc. We would like all students to be able to attend these events. However, we do expect students to do the right thing while in school. If your child is consistently in the hallways, not going to class, fighting, has numerous behavior referrals, etc. your child will not be able to attend these events. Let's all work together to make sure students are in class, on time and on task.

Sincerely,

Heidi Zealley  
Principal  
Vincent High School
