

As a Vincent High School student, we expect you to follow all school rules, which include the following:

**RESPECT YOURSELF:**

Do only those things that will help you to achieve a successful and healthy future.

**RESPECT YOUR ASSOCIATES:**

Treat your associates with courtesy, justice and truthfulness.

**RESPECT PROPERTY:**

Take care of the things which we share.

**STUDENT EXPECTATIONS:**

1. Attend school daily and come on time.
2. Students who are consistently late to class will most likely receive a consequence from an Administrator.
3. Leave all outer clothing such as coats and jackets in your locker.
4. Leave book bags in your locker.
5. Move quickly from class to class. Enter the room quietly, take your assigned seat, and begin your work immediately.
6. Be prepared to work every day. Bring notebooks, pens, pencils, and whatever else is required for learning.
7. Do homework nightly.
8. Eat only in the cafeteria.
9. Outside food is prohibited.
10. Learn to disagree without being disagreeable. Do not engage in physical or verbal violence. Do not fight.
11. Respect the building. Do not graffiti or deface any part of the building.
12. Hats, hoodies and ski masks should not be worn in the building.
13. Students must always have their identification card visible.
14. Vincent High School students are responsible for district policies including but not limited to weapons, illegal substances and appropriate dress.

**Vision**

**Vincent High School of Agricultural Sciences will be a nurturing, safe and professional environment that supports the educational success and social, emotional and physical development of all. We envision a school that provides each student with challenging opportunities in a culture where lifelong learning, creativity, respect, and an authentic enthusiasm for learning exists, one where all strive to be responsible, motivated citizens of strong character, one that embraces a strong partnership with our diverse communities, and one that promotes a passionate commitment to the Agricultural Sciences.**
